Mr. Algernon Cargill
President
Federation Board
BAHAMAS

Dear Mr. Algernon Cargill,

UANA has awarded hosting of the 2013 Pan American Masters Championship to the United States. On behalf of UANA, we extend to the **Federation Board of the Bahamas**, a cordial invitation to participate in the 2013 Pan American Masters Championship.

Masters synchronized swimming, Masters swimming and the open water competition will be held June 1-13, 2013 at the Sarasota Family YMCA Selby Aquatic Center in Sarasota, Florida. Masters water polo and Masters diving dates and locations will be announced as soon as available.

We hope that your Federation will send as many participants as possible to the Pan American Masters Championship. Participation in the Pan American Masters Championship is open to any 2013 registered Masters swimmer including Masters swimmers across the world that are registered with their home federation. Documentation and visas required to enter the U.S. can be obtained by working with the U.S. Embassy and Consulates in Argentina.

The event website, www.panamericanmasters2013.org, will provide you with information that includes the championship schedule, championship registration, internet links to the U.S. Department of State, lodging and transportation information, and points of contact that can assist you with questions.

This invitation is issued with the understanding that all required fees, as well as all expenses (international and domestic travel, housing, and food) are the responsibility of the competitor. UANA is not able to provide financial grants of any kind to any of the competitors. We look forward to your participation!

Cordially,

Mel Goldstein
