

Nationals 2018 – Raffle Baskets

The Nationals Planning Committee is in need of items for Raffle Baskets which will be raffled off during Nationals. Clubs are being asked to each donate one complete basket, or to combine with another club to create a basket. Single items which can be grouped together to create larger baskets will also be accepted. Suggestions include gift certificates, jewellery, toys, food and electronics.

The “Baskets” don’t need to be actual baskets – they can be items like laundry baskets, igloo coolers, plant pots, etc. Please ensure that each complete basket comes with an itemized list of contents. Complete baskets from prior years as well as other examples are shown below. If you own a business or frequent a store or restaurant, consider donating or asking for a donation of a gift certificate and/or some fun items. This is especially a great promotional opportunity for small businesses whose donations will be seen by hundreds of swim families in The Bahamas during the Nationals 2018 weekend.

All baskets and individual items need to be given to Valerie Lowe or John Bradley on or before Saturday June 2nd. If the actual basket cannot be given by that date, for any reason, then a basket list needs to be provided, along with an expected date of delivery of the actual basket because we need to do a pre-raffle blitz.
